

Our Fallen

The City of Waukesha is creating a memorial to honor and remember those who have made the ultimate sacrifice while serving our citizens. Each name on this memorial represents a father, mother, brother, sister, uncle, aunt, cousin or friend that went to work focused on serving the citizens of Waukesha. They did not come home after their shift, sacrificing everything to make the City of Waukesha a better place.

This memorial will be a permanent reminder of their sacrifice and the sacrifice that their families and loved ones made for the City of Waukesha. Their names will be permanently enshrined in this monument to ensure that the citizens of Waukesha remember their contributions to our beautiful city.

How Can You Help?

We have Memorial Bricks for sale on our website that will leave a lasting legacy for anyone who wants to memorialize a loved one or be part of this memorial for generations to come. Please see the inside of this brochure for more information.

In addition, we will be holding a dedication for the memorial on September 22nd, 2023, as well as selling fundraising merchandise at local events. We would love to see you there.
